THE CASE FOR SUPPORT

\$285,000.00 - 1,000 Prayer Booths in the City of Chicago

StreetPrayers.org was founded in 2011 upon the call of God to create a methodology that would incorporate up to 1,000 churches and ministries to wage spiritual warfare on the street corners in Chicago.

The mandate from the Holy Spirit was clear. The problems with crime, the murder rate, gang violence, prostitution and robbery is a spiritual problem. This spiritual problem is not currently addressed by the Chicago churches on a scale necessary to match the onslaught brought by the forces of darkness.

As a result of this failure to unite and do battle, countless youngsters are being lost and some murdered. We hear about this on the news. But because of having no better plan, a segmented church leaves our Sunday services personally enriched as individuals; to cower in our homes in fear, while Satan wreaks havoc outdoors and drags our children into hell before our very eyes.

Within this package is a powerfully laid out strategic plan to do something about this problem. To offensively attack the forces of darkness utilizing the spiritual power of everyone! That is correct, everyone! Any believer who knows that lifting up Jesus is the answer and that is tired of witnessing the spiritual decline of inner-city Chicago should be "called to action" forthwith.

As you review this material be mindful that a custom built "Prayer Booth" that details your Church or Ministry logo, location and contact information, does not diminish your image but rather enhances it. It announces to the world, to Chicago and to the devil...that you are joining forces in this mighty last day's army that is being lifted up as a standard against the forces of darkness and moral decline in our city.

Thank you for taking the time to review and prayerfully consider the information herein;

FINANCIAL STATEMENT

\$285,000.00 - 1,000 Prayer Booths in the City of Chicago

StreetPrayers.org Inc. was founded in 2011 by Elder Harvey Pinkney who currently attends and serves at The Love Tabernacle Full Gospel Ministry Church in Chicago where Pastor John Smith is Senior Pastor.

The ministry was founded under the mandate to: "Not Start a Church", but to assist the local churches in evangelizing the streets in their communities. Particularly those churches in high crime areas.

As a result, StreetPrayers.org Inc. - an Illinois Not for Profit Corporation - does NOT hold regular church meetings and has not collected offerings. Since its inception the funding that has occurred (approx \$40,000.00) has been for the most part, from the personal funds of the founder, Elder of Harvey Pinkney. StreetPrayers.org Inc. is also extremely thankful for help and financial support from the following Pastors and community leaders.

- Pastors John and Linda Smith - Love Tabernacle Full Gospel Ministry, Chicago, IL.
- Apostle and Mrs. Nate Hill - God's End Time Church, Chicago, IL.
- Pastor Frank Sorice - Operation Blessing Food Pantry, Midlothian, IL.
- Evangelist O.C. and Martha Gibson, Chicago, IL.

Please see the "Expansion Guide" for the organizational structure that will be utilized in the deployment of 1,000 Prayer Booths. Of key importance are the 80 district churches (decided by zip code) that will be responsible for 12 or 13 Prayer Booths in their district. Donations are currently collected by assigned solicitors that are receiving funds for 1 or more churches in their district.

The cost of each custom built "Prayer Booth" is \$285.00. All parts, banners and hardware at a cost of approx \$200.00. \$85.00 is allowed for construction labor and delivery costs.

Using this methodology with communication throughout the 1,000 churches and ministry network that is published from the back office of the StreetPrayers.org website called the "Upper Room", the cost of each weekly outdoor prayer meeting is borne by the participating churches.

The executive staff of StreetPrayers.org Inc. are currently volunteers and receive no compensation.

Of course many of the churches involved will be able to fund their own prayer booth. Help is needed however, for some of the smaller churches that are located in high crime areas. These are the locations that need the most financial assistance in obtaining a prayer booth.

SOLICITORS JOB DESCRIPTION

Raising \$285,000.00 for 1,000 Prayer Booths in the City of Chicago

A Campaign Solicitor shall be:

1. An individual who believes in and is able to convey the **URGENCY** to which this campaign should be delivered. That urgency has everything to do with the senseless murders that are likely to happen in Chicago during the summer of 2014 and the souls that are likely to be eternally lost because the spiritual climate and atmosphere of our city has not been changed by us (The Church).
2. An individual that is persuasive - in the sense that potential corporate sponsors are instructed that their participation will strengthen their community ties. Corporate sponsors can demonstrate willingness to give something back to the community by donating funds to secure 1 or more prayer booths.
3. An individual who actively goes after sponsors and to raise funds toward the ultimate goal of 1,000 prayer booths in the City of Chicago. For example corporate sponsors will be able to place on the "Prayer Booth" a line of text in the lower right hand corner of the middle banner that reads: "This Prayer Booth Sponsored by XYZ" company.
4. It is a given that the solicitors church, church departments, ministries and family members that are ministers will obtain "Prayer Booths". The solicitor will be able convey with great skill the absolute necessity of this kind of demonstrated unity and like-mindedness in achieving the level of "Spiritual Power" adequate to make a difference in Chicago.
5. The solicitor will recognize that the success or failure of this campaign hinges upon their success and their personal determination that failure is not an option. And because eternal souls are at stake, a solicitor will above all refuse to fail and will actively seek gifts using the solicitor's kit with great skill and expertise.

MISSION STATEMENT

WE ARE a Para-Church organization and are not formed to become a church or to hold regular church meetings.

WE BELIEVE that we are called of God to utilize the Love of God, the Power of God and modern communications technologies to organize a world-wide network of prayer warriors that battle the forces of darkness, demanding the release of souls currently held by the devil and his angels.

WE BELIEVE that there are other Christians - mature Christians - a few in every church that have vexed souls because of what they see happening in the world. These Christians are unable to any longer restrain themselves and are ready to literally die to make a difference.

WE BELIEVE that from this laity an army will arise that is strong in the power of HIS MIGHT.

WE ARE THANKFUL that through the use of a Face Book like, web enabled program each Prayer Warrior will be able to log on and service their caseload through prayer at their convenience, but will physically visit their caseload as the Holy Spirit leads or the need arises.

WE ARE THANKFUL that in this way each Prayer Warrior need not cease serving in any capacity in which they function in their local church body, but can devote 30 minutes per week to 10 hours or more per week, in serving their StreetPrayers.org caseload. In addition, a Prayer Warrior may have a caseload of 1 individual or 50 individuals, as they desire.

WE BELIEVE that the enemy of our soul, Satan has over the decades and centuries all but removed most of the Power of God from the way we function now, as a modern day church.

WE BELIEVE that this was predicted in the scripture:

2 Timothy 3: 1-5

1 This know also, that in the last days perilous times shall come.

2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

- 3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,
- 4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;
- 5 Having a form of godliness, but denying the power thereof: from such turn away.

WE BELIEVE that through StreetPrayers.org we will EQUIP. Yes equip, an army. This army will not only bring a harvest of souls into the kingdom in these last days; but the Prayer Warriors of StreetPrayers.org will deliver themselves as well.

StreetPrayers.org is looking for Prayer Warriors that fit that description or are willing to become that description.

StreetPrayers.org will assist the local churches in returning the backsliders to their churches and in bringing new converts to the local churches.

In this way "Revival SHALL sweep through the City of Chicago, America and the rest of the world in Jesus' name".

THE MINISTRY - StreetPrayers.org Inc

Street Prayers.org is an organized and systematic methodology that if adopted by the church will result in manifold salvations. It will also define – as it awakens the sleeping giant that the church in America is – the core values of the American church putting legs and a voice to our hopes, dreams and prayers. The church will thereby be delivered from being a passive and defensive entity. Whereas now, we are backed against the ropes receiving punches from the enemy of our souls, Satan. We will, as we adopt the campaign of spiritual warfare set forth herein, become an offensive army, breaking down strongholds and snatching souls into the Kingdom of God as our spiritual heritage dictates and commands.

We have witnessed the Spiritual Power unleashed with just 1 or 2 of these outdoor Prayer Booth campaigns occurring at a time. It is mind-boggling to us that have experienced it to imagine the power of the Holy Spirit that would be released with 1,000 such meetings occurring at once. You must view the DVD's online to witness the Power of God on the streets! Please go to: <http://www.prophecysettmusic.com/info/> to view.

We have witnessed salvations, individuals breaking down in tears on the street corners, lost souls introduced to churches.

The StreetPrayers.org website has a back-office Face Book like application in which photographs of the individuals encountered on the street are posted so that ongoing intercessions can be logged for individuals long after the street campaigns are over. We have seen miracles occur as a result of this type of on-going intercession.

In this sense, the operational protocol of the ministry of Street Prayers.org is an aggressive and intelligent use of Internet technologies and in keeping with the "Great Commission of our Lord" a loving utilization of the authority that we have in Christ.

THIS TYPE OF MASS CHURCH INVOLVEMENT IS NEEDED IN THE CITY OF CHICAGO. Just imagine, 1,000 "Love Stations" as it were, in our community raising a moral standard in keeping with the heart of our LORD!

WE MUST DO THIS!
